WEAT PRESENTS

GEORGE SMITH, P.E.

U.S. FILTER ENVIREX

NOVEMBER 15, 2005 AT 6:00 PM

Joe C. Thompson Center, University of Texas at Austin

RSVP by contacting Pervez Jameel

**Call: (512) 328-8975 or Email: central@weat.org
by Wednesday, November 8, 2005**

Since earning his Bachelor of Science in Civil Engineering from Valparaiso University, Mr. Smith has been working with activated sludge systems for over 35 years. He is currently the Director of Biological Development at US Filter Envirex. He has worked towards obtaining eight industry-related patents, including the VLR Aeration Process. Mr. Smith is credited with bringing the Cannibal Solids Reduction Process to Envirex.

He has authored several industry papers, including "Handling High-Strength Dairy Waste with a Vertical Loop Aeration System" and "Hybrid Aeration Process Provides Power Savings."

Telephone: (262) 547-8275 Email: George.Smith@Siemens.com

Section Rep. - Lynne Moss, 346-1100, mosslh@cdm.com
Past President - David Briggs, 346-1100, briggsdc@cdm.com

Young Professionals (YP) Corner

The Central Texas WEAT YP group has gotten together to network and get to know our peers in a more informal setting by means of "Happy Hours." The October "Happy Hour" was held on October 6th at the Cedar Door and was sponsored by Raven Lining Systems. As always, we thank our sponsors for participating and hosting the events for our Young Professionals group. Our next scheduled "Happy Hour" will be on December 8th at Ringers. If you are interested in sponsoring this event please, contact:

Kathy Pontesso
at Kathy.Pontesso@c-b.com

On August 10th, Raj Bhattarai, Kathy Pontesso, and Stacie Jones met with Dr. Joseph F. Malina at the University of Texas - Austin campus to discuss the formation of a WEAT student chapter at the University of Texas at Austin. Dr. Malina plans to meet with students after the WEFTEC conference to generate interest in the group. The first meeting is scheduled for the spring semester.

If you are interested in getting involved with WEAT YP events, please contact:

**Kathy Pontesso at
(512) 732-7517 or
Kathy.Pontesso@c-b.com**
