

TEXAS WATER™ 2020 - Virtual

Launching the Week of July 13

The Largest (Virtual) Regional Water Conference in the U.S.™

Thank you so much for your support of the Texas Water 2020™ Scholarship Golf Tournament.

Texas Water is transitioning the brick-and-mortar conference into **The Largest Virtual Regional Water Conference in the U.S.**, launching the week of July 13.

Because of this, we've come to the difficult decision to cancel the golf tournament. We simply cannot support the tournament moving forward while cancelling all other in-person aspects of Texas Water. There's too much uncertainty around coronavirus and your health is too important to risk.

The annual golf tournament is a major source of scholarship funds for both WEAT and TAWWA. Supporting students in the water community is important to our mission and the future of the water sector.

Please consider donating your already paid fees to help us to support our scholarship programs. As always, 100 percent of your tax-deductible donation will go toward scholarships programs.

Please let us know if you are able to support our scholarship programs by replying to texwater@texas.net with "Yes, I will support WEAT and TAWWA Scholarship Programs." We also understand that these are very challenging times for many and you may no longer be in the position to support scholarship programs. You can request a full refund by letting us know in your reply to texwater@texas.net.

Thank you for your continued support and hope to see you on the course next year for Texas Water 2021.
