WATER'S WORTH IT!

Outcomes from the 83rd Texas Legislative Session

Hosted by WEAT's Governmental Affairs Committee

Wednesday, September 18, 2013

12:00 p.m. – 1:15 p.m. CST

The 83rd Texas Legislature confirmed that water is really worth it by passing historic legislation to fund the state water plan. Hear from Carol Batterton as she presents key information on the upcoming Nov 5 vote for water plan funding as well as a synopsis of other legislation affecting our industry. A discussion of related rulemaking and bills that did not pass will also be included along with a question and answer session.
