**Re: Proposed Class I Underground Injection Control (UIC) General  
Permit No. WDWG010000**

Dear Ms. Castañuela:

On behalf of the Water Environment Association of Texas, I am writing to express our support of the above-referenced general permit. We appreciate the staff's work on this general permit and the numerous opportunities that have been provided for stakeholder input. We fully support adoption of this general permit by the Commission.

The Water Environment Association of Texas (WEAT) is a non-profit technical and educational organization of engineers, municipal officials, environmental scientists, operators, and others who are involved in wastewater treatment and water quality management. We are a member association of the Water Environment Federation and we are dedicated to promoting scientifically sound environmental policy and regulations.

If you have any questions or need any additional information, please feel free to contact me at your convenience.

Sincerely,

  
Brad B. Castleberry  
Immediate Past President
