Why did you join WEAT?

"WEAT provides the opportunity to form partnerships that can lead to projects and lasting friendships. It allows a company to be seen and involved with our industry." - David Briggs, CDM Smith

"I was encouraged by my boss to join, and then later he strong-armed me into an officer's role in the local section! Best decision he ever made for me!" - David Jackson, Freese and Nichols

"I always learn something at WEAT functions that helps me optimize our operations for my employer and rate payers." - Curtis Smalley, City of Waco

"WEAT allows me to stay abreast of current technology in a competitive environment; it provides 'comtemporization.' Networking with WEAT members is meeting and learning from the best of the best."

- Richard Eason, City of Corpus Christi

"Most importantly to me, WEAT has provided me with some of my best friends. It is an organization that fosters a love of both the water environment and the people that are working to make it better." - Kathy Fretwell, Kennedy/Jenks

Join today!

WEAT is a 501 (c)(3) nonprofit technical and educational organization dedicated to promoting scientifically sound environmental policy and regulations.

The Water Environment Association of Texas is made up of over 1600 Texas professionals who have dedicated their careers to protecting and enhancing our state's water resources. We're civil, design and environmental engineers; treatment plant managers, operators and technicians, biologists; chemists; local and state government officials; professors; students; attorneys; and environmental scientists.

Your Employer's Value

- Savings on Professional Development
- Voicing your concerns to Regulators and Legislators
- Savings on educational programs that help maintain licenses
- Access to cutting-edge technology and treatment tips
- Engage with client base at many levels and build supplier contacts

Your Value

- Grow valuable professional and leadership skills
- Further career through numerous industry networking opportunities
- Great training opportunities with continuing education at a discounted rate
- Dependents of members are eligible for multiple scholarships
- Be part of a team and something larger than you!

Our Environment's Value

- Protect and enhance the water environment
- Safeguard our public health
- Help maintain a clean water environment for future generations
- Protect, value, and manage our precious resource
- Through effort and advocacy, show the true cost of our precious water resources
