

# WATER REUSE TEXAS

## 8<sup>th</sup> Annual Water Reuse in Texas 2019 - Call For Abstracts *Save the Date | May 23-24, 2019, McAllen Convention Center, McAllen, TX*

WaterReuse Texas, Water Environment Association of Texas, and Texas American Water Works Association invite you to submit an abstract for the **8th Annual Water Reuse Conference** in Texas — co-sponsored by our three associations.

**Individual Instructions:** To be considered for a technical presentation, submit an abstract by **February 1, 2019**. Abstracts must be one page or less and include the title, author(s), and up to three subject areas selected from the box at right. Abstracts should be submitted to WRT support email: [Julie@weat.org](mailto:Julie@weat.org).

**Session Proposals:** Individuals speakers and organizations may submit proposals for complete sessions (1.0 to 1.5-hour) duration. Session participants will be required to submit manuscripts and PowerPoint files in accordance with the same schedule as individual speakers.

Important Dates	
Feb 01, 2019	Abstracts due
Feb 27, 2019	Authors notified
May 13, 2019	PowerPoint Presentation due
May 13, 2019	Presenter registration deadline
May 23-24, '19	Texas Water Reuse Conference

**Location:** The 2019 Texas Water Reuse Conference will be held in McAllen, TX. Reuse 101 is scheduled from 1:00 PM to 5:00 PM, May, 23. The Conference is scheduled for 8:30 AM to 4 PM, May 24, 2019, McAllen TX.

**"No Paper/No Podium" Policy:** By submitting an abstract, a potential presenter agrees to (1) prepare and submit a Power Point presentation by May 13, 2019 for publication in the conference proceedings, (2) to deliver an oral presentation at the Conference, and (3) register for the conference by May 13, 2019. Individuals who fail to submit presentation slides in a timely fashion will be replaced in the Conference program with an alternate presenter. See the list of important deadline dates.
