

The WEAT/WEF **InFLOW**, Introducing Future Leaders to Opportunities in Water, is a program to enhance diversity and inclusion in the water workforce. Overall, the **InFLOW** program for students aims to provide students with the skills, experience, and connections they need to succeed in their chosen field after graduation. **Additional information can be found at www.weat.org/inflow**

Part of **InFLOW** takes place at Texas Water 2023, with the **InFLOW** Panel, an opportunity to have small and meaningful conversations with program supporters, mentors, and future employers, and tours around the exhibit hall.

We are looking for organizations like yours to join us as a sponsor to support outreach to diverse groups of up-and-coming professionals as we encourage and help prepare them for future water careers. The program is designed to help students gain practical skills and experience in our industry while connecting them with potential employers. Our sponsors have multiple opportunities to be recognized as part of our year-long **InFLOW** Program. Consider sponsoring to grow our future leaders in Water!

Annual InFLOW Sponsorship – \$1,000

- Recognition with thanks and logo at **InFLOW** Events
- Option for 1-on-1 cross mentoring with **InFLOW** Cohort (resumes will be provided in advance)
- Logo linked in emails promoting WEAT Events
- Recognition on the WEAT website and social media pages
- Recognition via a special insert in WEAT's official print and e-publication – Texas WET

Online sponsorship can be made at www.weat.org/events/inflow-2023-sponsorship

Payment Options:

Complete your sponsorship online or make checks payable to:
Water Environment Association of Texas
1825 Fort View Road, Suite 108
Austin, Texas 78704
