## WEAT MEMBERSHIP

### Benefits of WEAT Membership

- FREE registration to WEAT webinars (at least 18 hours of CEU credit and 25 PDH credits per year)
- Savings when registering for Texas Water
- Subscription to Texas WET and Texas e-newsletter
- Access to networking events, subject matter experts, and regulatory and legislative experts
- Free access to all WEAT committees and committee membership
- Eligibility for you or your dependent for scholarships through WEAT Scholarship Fund
- Access to WEAT's Legislative Tracking list and Texas Legislative Updates
- Access to professional development training, water mentoring program, DEI training, and other skills development opportunities
- Eligibility for WEAT Awards

**Questions?** Call WEAT at 512.693.0060 or email [admin@weat.org](mailto:admin@weat.org).

### How it Works

WEAT and WEF are committed to providing the tools needed to stay on top of a changing political, economic, and global environment while offering you leadership opportunities and a genuinely great knowledge base.

#### **WEAT-Only member pricing is \$70.**

In 2021, we offered 24 hours of complimentary CEU credit with your WEAT membership. We had a total of 45 hours of CEU credit offered in 2021 and 48 hours of PDH credit. That's a lot of hours!

As we roll out additional Advanced Operator classes known as our WQ/IQ Program, WEAT only membership dues will be \$70. That still gives CEUs for less than \$3 per hour.

**Ready to join?** Join WEAT Today at [www.weat.org/join!](http://www.weat.org/join!)

Water Environment  
Association of Texas

1825 Fort View Road, Suite 108 • Austin, Texas 78704 • 512.693.0060

The resource for preserving, enhancing, and advocating  
water quality in Texas.
